Twenty-second resolution

### **Statutory auditors' report on the allocation of free existing shares or free shares to be issued**

To the Shareholders,

In our capacity as statutory auditors of your Company and in compliance with Article L. 225-197-1 of the French Commercial Code (*Code de commerce*), we hereby report on the proposed allocation of free existing shares or free shares to be issued, reserved for employees of your Company, or for certain categories thereof, and/or for the corporate officers of your Company who meet the conditions set by Article L. 225-197-1, II of the French Commercial Code (*Code de commerce*), as well as for employees of companies or economic interest groups in which your Company holds, either directly or indirectly, at least 10% of the share capital or of the voting rights, on the date of the allocation of the relevant shares, an operation upon which you are called to vote. The total number of shares likely to be awarded under this delegation may not represent more than tenth percent of the share capital.

Your Board of Directors proposes that, on the basis of its report, it be authorized for a period of twelve months to allocate free existing shares or free shares to be issued.

It is the responsibility of the Board of Directors to prepare a report on the proposed operation. Our role is to report on any matters relating to the information regarding the proposed operation.

We have performed those procedures which we considered necessary in accordance with the professional guidance issued by the French Institute of Statutory Auditors (*Compagnie nationale des commissaires aux comptes*) for this type of engagement. These procedures consisted in examining that the proposed methods described in the Board of Directors' report comply with the legal provisions governing such operations.

We have no matters to report as to the information provided in the Board of Directors' report relating to the proposed allocation of free shares.
